Cobalt 27 – Corporate Update

Toronto, Ontario

August 8, 2017

Cobalt 27 Capital Corp. (the “Company” or “Cobalt 27”) TSXV: KBLT; FSE: 27O is pleased to announce that it has filed an Annual Information Form on Friday, August 4, 2017. The Company continues to move forward with its business plan as it prepares itself to be in a position to take advantage of streaming, royalty and other transactions as they become available.

The Company, subject to TSX Venture Exchange (“TSXV”) and disinterested shareholder approval, has adopted a Restricted Share Unit Plan (the “RSU Plan”). The RSU Plan provides for the acquisition of the Company’s common shares (“Shares”) by the issuance of Restricted Share Units (“RSU’s”) to eligible participants for the purpose of advancing the interests of the Company and its shareholders, through the motivation, attraction and retention of employees, directors, management company employees and consultants of the Company.

The maximum aggregate number of shares reserved for issuance under the RSU Plan, together with the Company’s existing Stock Option Plan (as approved by its shareholders on May 18, 2017), shall not exceed a combined total of 10% of the Company’s issued and outstanding shares. In addition, the RSU Plan sets out certain other restrictions in respect of grants to certain participants under the RSU Plan in accordance with the rules of the TSXV. No Shares shall be issued until the Company has received TSXV and disinterested shareholder approval of the RSU Plan.

The Company has granted an aggregate of 1,210,000 incentive stock options and RSU’s to certain of its directors, officers, advisors and consultants. The incentive stock options granted are exercisable at \$9.00 for a period of 5 years expiring August 7, 2022.

Following the award of RSU’s and current stock options the Company currently has an aggregate of 1,363,749 options issued representing approximately 5% of the Company’s issued and outstanding capital.
